Dream Report - Finalist for Engineers' Choice Award

October 9, 2017 – Ocean Data Systems (ODS), the market leader in reporting and corporate dashboards for the automation industry, announced that Dream Report has been selected as a Finalist in the 2019 Control Engineering Magazine “Engineers’ Choice Awards” program.

Dream Report has been chosen as a Finalist in the **Software – Asset Management - Reporting** category and will be mentioned in the November issue, online, and in Control Engineering e-newsletters - where they will encourage qualified subscribers to go online and vote. Dream Report already has a history of both Honorable Mentions and has Won this Award in 2018. Ocean Data Systems encourages all partners and customers to visit the [Products for Engineers website](#) and please endorse Dream Report by selecting the Product Voting Menu.

“We believe this to be one of the most prestigious awards in our industry,” explained Roy Kok, VP Sales and Marketing for Ocean Data Systems. “We are very proud to have won this category in 2018 and with continuing enhancements and our additional partnerships, we’re optimistic for 2019. But we still need every vote and in this niche market, YOUR vote does count.”
