FOR IMMEDIATE RELEASE

Dream Report – WINNER of 2019 Engineers' Choice Award

February 4, 2019 – Ocean Data Systems (ODS), the market leader in industrial reports and dashboards, announced that Dream Report has been selected as a winner in the 2019 Control Engineering Magazine "Engineers' Choice Awards" program.

Dream Report has won the category **Software – Asset Management - Reporting** for the second year in a row and will be mentioned in the February issue, online, and in Control Engineering e-newsletters. Dream Report already has a history of two Honorable Mentions - 2015 and 2016, in addition to winning the category in 2018 and again now, 2019.

"We believe this to be one of the most prestigious awards in our industry," explained Roy Kok, VP Sales and Marketing for Ocean Data Systems. "We are very proud to have won this category in 2018 and 2019 and with continuing enhancements and our additional partnerships, we're optimistic for the future. We believe Dream Report is an excellent product and many thanks to all of our valued customers and partners for voting and making this possible.
