

## FOR IMMEDIATE RELEASE

# WellinTech Joins Dream Report Proven Partner Program

November 21, 2017 – Ocean Data Systems (ODS), the market leader in reporting and corporate dashboards for the automation industry, announced that WellinTech has joined the [Dream Report Proven Partner Program](#) and is recommending Dream Report as a solution for reports and dashboards.

WellinTech, makers of KingSCADA, is a leading supplier of HMI/SCADA technology in China and other parts of the world. As a member of the Dream Report Proven Partner Program, WellinTech customers will benefit by having a jointly endorsed solution for compliance, performance and ad-hoc; reports, dashboards and data troubleshooting interfaces.

“We have tested Dream Report OPC DA connectivity with KingView, explained Roy Kok, VP Sales and Marketing for Ocean Data Systems. “Dream Report offers the ability to acquire data from KingView and store that data for future reporting. The OPC DA interface also enables Dream Report to monitor events for batch reporting, alarm reporting and triggers from any other SCADA event. As our relationship matures and customers benefit from the value of Dream Report, we will expand our connectivity to WellinTech products, specifically KingHistorian.”

“Dream Report is the leading industrial report solution on the market and we see customers that would like to integrate data from many data sources, including KingSCADA into one report or dashboard,” explained Li Heng(Eric), Sales manager of overseas department at WellinTech. “With their broad base of vendor partnerships and over 80 proprietary, industrial standard and business standard interfaces, they are a natural partner for us and we are happy to be integrated with their Proven Partner Program.”

### **About Ocean Data Systems**

Founded in 2004, Ocean Data Systems develops software solutions for industrial compliance and performance; reports, dashboards and ad-hoc analysis and troubleshooting. The product, Dream Report, is the leading “purpose built” solution for industry and the “Internet of Things (IOT).” Dream Report delivers both local and Internet connectivity to all major HMI/SCADA, Historian and business data sources through either proprietary or industry standard drivers. Dream Report’s markets include process, hybrid and discrete; with special functionality for Life Sciences (Pharmaceutical and Biotech), Water, Wastewater, Heat Treat, Building Automation, Energy Management and Manufacturing Operations.
